

## Building Eucharistic Communities

Register in September

### “What does it mean to build a Eucharistic Community?”

St. Agnes is once again organizing dialogue sessions through small-group sharing where we can openly talk about our experiences in a safe and respectful environment. This year’s focus will center on the Eucharist and how we can build up our parish as a Eucharistic community.

### Everyone is invited and encouraged to attend!

The small groups, with six to eight people, will be led by experienced facilitators. You only need to attend one session. Our church is embracing a synodal culture, we are a church that listens and responds; therefore, your voices are important so together, we may better serve our parish community in building up the Body of Christ.

### To Register for Parish Sessions

**Complete Card** – Return to Hospitality Ministers or the Parish Office. If already registered, pass this card along so we can also listen to the voices of family members and friends.
